|-----------------|-------------------------|
| Subject: | <i>Basic Law</i> |
| Hours: | <i>24</i> |
| ECTS | <i>3</i> |

| | |
|--|---|
| <i>Name/title of the author:</i> | <i>Bogusława Gnela, Ph.D., Professor of CUE (supervisor), Filip Grzegorzczak, LL.M. (lecturer)</i> |
| <i>Course Description:</i> <i>(min.400 characters)</i> | <i>The course helps to understand elementary legal concepts taking as the example Polish law in a comparative European perspective. Different issues of Polish constitutional, public and private law are to be discussed during the classes. The course is focused on functions of law, not details, assuming that legal education is a basic pre-condition for running a business. The course is highly recommended for all students.</i> |
| <i>Learning Outcomes</i> <i>(Goals and Objectives of the course): (min.200 characters)</i> | <i>Mastering elementary legal concepts applied in Poland. Preparing for further legal education.</i> |
| <i>Entrance qualifications:</i> | <i>none</i> |
