

Syllabus for B2 group – Polish as a foreign language

I. Syllabus is based on criteria's of Common European Framework for languages.

II. The learner on B2 level is described as language user who:

- Can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in his/her field of specialization.
- Can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
- Can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.

III. The program of the group is focused mainly on written skills due to the fact that majority of our learners are bilingual students with Polish roots whose oral expression and understanding is very advanced and written skills are not developed enough.

IV. The program contains also elements of vocabulary from official register and chosen grammar problems.

V. List of communicative, lexical and grammatical topics for summer semester 2013 - 2014.

1. Description of system of education in different countries. How to apply for
2. How is the life in my city/country. Advantages and disadvantages. Opinion, point of view, writing essay.
